Manufacturer and Vender of the CELEBRATED

FOR THE CURE OF

AGUE AND FEVER

CHILLS AND FEVER The proprietor of this celebrated medicine justly claims for it a superierity over all remedies ever offered to the public for the safe, certain, speedy, and permanent cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southwestern country to bear him testimony to the truth of the assertion, that in no case whatever will it fail to cure, if the directions are strictly followed and carried out. In a great many cases a single dose has been Southern Express Company sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if his use is continued in smaller doses for a week or two after the disease has been checked, more especially in | oet 12 difficult and long standing cases. Usually this medicine will not require any aid to keep the bowels in good order; should the patient, however, require a cathartic medicine, after baving taken three or four doses of the Tonic, a single dose of BULL'S VEG-TBALE FAMILY PILLS will be sufficient.
